

Missouri Natural Resources Conference

2010 Student Job Fair

We are hosting the 13th Annual Student Job Fair at the 2010 *Missouri Natural Resources Conference* on Wednesday, February 3, 2010 in Parasol I & II at the Tan-Tar-A Resort in Osage Beach.

New for 2010, we will have a **Question and Answer Session with Resource Professionals** from 4:30 to 5:15 in Room 74 (across the hall from Parasol I). This session will allow students to ask questions and listen to resource professionals speak about current hiring trends in the Forestry, Fisheries, and Wildlife disciplines. Don't miss this opportunity to learn about the latest information on gaining employment in the conservation field. The **Job Fair** will begin at 5:15 pm and will conclude at the start of the Conference Mixer at 6:30. Representatives from several resource agencies, not-for-profit organizations and businesses who have jobs currently open will be present. We will also continue the resume critique booth so that participants can have their resumes polished up by resource professionals. Information on specific jobs will be available, as in past years.

Students

All you have to do is show up at Tan-Tar-A. No registration is required and you do not have to attend the conference to attend the Job Fair. It is suggested that you bring copies of your resume for review and to hand out. For additional information, please visit the conference web page at www.mnrc.org.

Resource Professionals, Grad Students, and Professors

Are you seeking employees with natural resource backgrounds? Then the Student Job Fair is the perfect opportunity for you. Last year over 120 students ranging from high school graduates to people with masters degrees, and current resource professionals, attended the Job Fair. Employers can offer full- and part-time positions, along with temporary positions. No job is too big or too small. The Student Job Fair is free. Please contact Chris Williamson for further information on how employers can participate in this year's Job Fair, or visit www.mnrc.org. Deadline for employers to register is January 15th, 2010.
